*See 0*

a. Section 10, Question 3. Since many people will not be familiar with the Controlled Substance Act, indicate in question that a copy of the Act is available for review by the applicant, if needed.

b. Section 10, Question 4. End question at "...drug abuse?" Draft new question, "Have you ever received treatment from a psychiatrist or psychologist for a mental disorder or impairment?" Use the same yes or no statement as in question 4. Revision as recommended will avoid use of the term "nervous disorder" which is less precise and to some people could mean ulcers, hives, hypertension, etc.

c. Section 10, Question 8. Revise question to read, "Are you presently heavily in debt or have you ever been or petitioned for bankruptcy? Yes ( ) No ( ). If your answer is yes, identify to whom the money is owed and the approximate amount, or in the case of bankruptcy identify the court(s) and date(s) involved." Revision as recommended would require responses from persons with financial problems, but who are too proud to declare bankruptcy.
